## Of Sailor and Whales-Five Scenes from Melville

### I. Ishmael

"I go to sea as a simple sailor"

### II. Queequeg

"It was quite plain that he must be some abominable savage, but Queequeg was a creature in the transitory state-neither caterpillar nor butterfly"

### III. Father Mapple

"This ended, in prolonged solemn tones, like the continual tolling of a bell in a ship that is foundering at sea in a fog-in such tones he commenced reading the following hymn; but changing his manner towards the concluding stanzas, burst forth with a pealing exultation and joy"

### IV. Ahab

"So powerfully did the whole grim aspect of Ahab affect me that for the first few moments I hardly noted the barbaric white leg upon which he partly stood"

### V. The White Whale

"Moby Dick seemed combinedly possessed by all the angels that fell from heaven. The birds! The birds! They mark the spot"

On behalf of the conductors and students in the band program, we would like to take this opportunity to thank all of the outstanding studio teachers at Pittsburg State University for their dedication and wonderful teaching. These individuals deserve much of the credit for the quality of the ensembles.
